

MEDWAY and COUNTY KENT BEEKEEPERS' ASSOCIATION

NEW MEMBER 2011

At the AGM held in February 2010 it was agreed that the subscription rate for 2011 would be unchanged at £24 for full members. This includes BBKA membership and you receive BBKA NEWS six times each year as well as third party insurance and the first 3 hives for Bee Diseases Insurance.

Ensure you have enough BDI because this insurance is INVALID if you have more colonies at the time of a claim than the total for which premiums have been paid.

The Associate membership, which is also unchanged on 2010 is £10 but has no BBKA membership nor any insurance, this is designed for non-beekeepers and members of other beekeeping organisations.

Please complete and return the form below to the Treasurer, John Hendrie. The cost of BeeCraft magazine remains the same and with the Association discount is good value at £21.60. For new subscribers the first copy will be June 2011 to fit in with our annual bulk order. If you would like extra copies before then please add £1.80 extra for each copy required.

Thank you
John Hendrie
 Hon. Treasurer
